

CAN YOU HELP???

Our school has tremendous readers and because very popular fiction books are in such high demand, many children miss out on reading them because they are rarely on the shelves.

The annual **library budget is carefully spent to ensure a balanced collection of books** that will meet the reading and research needs of all children. **Unfortunately, it cannot meet the demand for high interest fiction books.**

We do not have any of the books listed here in the library at the present time. **If you can donate any of these books, I assure you they will be well used and much enjoyed by the children.**

Please drop any books off at the school office and leave your name if you would like an acknowledgement of your donation in the book.

If you have other books in a series or by the same author that you wish to donate, please check with me first. Email is best -

library@omokoroa.school.nz

I will get back to you as soon as I can.

Other questions? – please contact me.

Thank you for helping our kids.

Rae Earnshaw - Librarian
