Dear Parents

I hope you all had an enjoyable Easter and your children have had a lovely break.

Term two is a long one with 11 weeks in total. This should see your child really getting into the swing of things now that routines have been established.

Home Learning Book

This term I am going to trial a home learning book. (Your child should have come home with it today.) This will be to help support the spelling programme. Please read the information on the front page of the book.

Mathletics, spelling and basic facts will continue as usual. As well as daily reading with some groups having the occasional worksheet to go with their reading.

Stationery

Please check with your child whether they still have all that they need. I do have some pencils, glue sticks etc stored away which they have access to and may have forgotten about.

Parent Help

I will assume that I still have my fabulous parent helpers for this term unless I am notified. I also know of one other that wants to join the group. Any others please let me know. I would like to start the help list as from next week.

Parent Help 'One Off'

Two groups from our classroom will need some help with supervising their baking task this Wednesday 21st April 11am–12ish. The children involved should have come home with a notice.
