

New Zealand's first mower race event was held in 2003 at Omokoroa No.1 School.

Since then the sport has grown and there are now events held all over the country.

We now host the final round of the National Lawnmower Racing Circuit with teams and supporters coming from all over the North Island! Along with these supporters, our Gala reaches out to our extended families and local community resulting in over 10,000 visitors.

Our gala also hosts a select few exhibitors who have businesses that we know will be of high interest to our community, market stalls selling gifts, clothing and produce and also lots of activities for the children to enjoy. Mix all this in with the exciting Lawnmower Racing Finals and there is something for everyone!

This event is our major fundraiser for the school. We are a decile 10 school so we have to rely heavily on fundraising and our dedicated teacher and parent support. We hope you will support us.
