ANTICIPATED SUCCESS - Outcomes

What we expect to see:

- Empowered akonga that are successful, motivated, proactive contributors – confident in their identity, learning and community.
- Continued high quality teaching practice so students make positive progress in academic achievement.
- Staff will participate in professional growth opportunities that ensure high quality teaching practice.
- Continual focus on student success and deliberate programmes to accelerate student achievement.
- The curriculum refresh and common practice model will be implemented to suit our learners needs.

What we expect to see:

- Students will demonstrate school 'I CARE' values in all aspects of school life.
- Strong 'House' connection programme. Students will be assigned to a school 'house', ensuring whanau connectedness across all cohorts.
- Safe, welcoming, accepting, and inclusive kura for all, providing an innovative and safe environment conducive to student learning and wellbeing.
- Provide additional resourcing, allowing for educator-led learning programmes that cater for individual learning needs.
- We will identify potential and current Kaiarahi and nurture their leadership skills.
- Our school is inclusive and responsive to the cultural diversity across our learning community.

What we expect to see:

- Whanau have an interdependent relationship with tamariki and kura.
- Ongoing review of communication systems to ascertain effectiveness for all stakeholders.
- Community consultation to capture levels of engagement in our community and new ideas.
- Recognising parents/whanau/community as 'learning partners'.

INITIATIVES

- Review EOY student achievement data - analyse specific areas of own practice for development to help meet student learning needs.
- Evaluate impact of teacher's Professional Growth Cycles.
- Engage with and activate effective PLD in Structured Literacy and Zones of Regulation.
